NEW RAISE IN PRICE DUE

The Strikers Orderly-Leaders Complete Their Campaign Plans -Action of Bituminous Men Is Uncertain.

There is only one week's supply of coal now in New York. Grave fears of a coal famine appear justified. The price of coal is expected to go up again

warrant for their arrest from Justice Orr.
Policeman Golden was joined by Officers Eunbar and Cheshire and, accompanied by a number of Kerlin's neighbors, including Owen Heard, the party started for the hiding-place of the five negroes, arriving at 1.39 this morning.
The house was dark, but as the officers approached the inmates opened fire and Owen Heard fell to the ground. He was borne out of range by his companions. The house was at once surrounded by the posse and daylight was awaited before making another advance. The house in which they negro Richardson was located belonged to Annie Wilburn, also colored. Richardson owned the store adjoining the house. Here he kept ammunition and guns; and was therefore well prepared for a fight.

Renewed Attack This Morning. all over the anthracite coal region local union leaders are perfecting their plans for the fight. The tie-up brought about by the 147,000 strikers is complete.

t was estimated this morning that about 30,000 railroad employees have thus far been laid off by the coal-carrying roads. he proposed calling out of all the coal miners in the United States-about 450,000 mennow depends upon the decision of two bituminous districts.

No friction between strikers and deputies is reported from any of the strike centres. There is only one report of trouble between strikers and non-union
